

**STATE OF ILLINOIS  
ILLINOIS COMMERCE COMMISSION  
STIPULATED AGREEMENT 1237**

ORIGINAL  
706-0102

This Agreement made and entered into, by and between the State of Illinois acting by and through the Illinois Commerce Commission ("Commission"), the Decatur Junction Railway Company ("DT"), the Shawnee Terminal Railway Company ("STR"), the Vandalia Railroad Company ("VRRRC") and the State of Illinois, Department of Transportation ("Department").

**WITNESSETH:**

WHEREAS, it has come to the attention of the Commission through informal communication between its staff and DT, STR and VRRRC (rail carriers) that inquiry should be made into the matter of improving public safety by renewal of the existing crossbuck signs and installation of YIELD signs at the rail carriers' public highway-railroad grade crossings listed on Exhibits A, A-1 and A-2 attached hereto; and

WHEREAS, the parties are mutually agreeable to accomplish the proposed improvements upon a determination of the Commission by Order.

NOW THEREFORE, in consideration of the premises and of the mutual covenants and agreements as hereinafter contained the parties pray that the Commission enter an Order according to the provisions of Section 18c-7401 of the Illinois Commercial Transportation Law requiring that certain improvements as hereinafter stated be made and that the cost for the proposed improvements be divided among the parties according to law and that in the interest of the traveling public the Grade Crossing Protection Fund (GCPF) of the Motor Fuel Tax Law be required to bear a substantial portion of the cost; To Wit the parties agree as follows:

Section 1 All improvements encompassed by this Agreement shall be made in accordance with all applicable State laws, rules, standards, regulations and Commission Orders and procedures in general.

Section 2 The parties are of the opinion that the following improvements should be performed in the interest of public safety at those crossings listed on Exhibits A, A-1 and A-2 attached hereto:

- a) Renewal of the existing crossbuck signs in accordance with the Manual on Uniform Traffic Control Devices (MUTCD) and the installation of YIELD signs (R1-2) mounted on the crossbuck sign posts as indicated on Exhibit C, attached hereto. The crossbuck and YIELD signs should not be installed at any crossings that are closed by Order of the Commission prior to the completion date set forth in this Agreement, and at any crossings where automatic warning devices are installed and in service prior to the completion date set forth in this Agreement.

Section 3 The rail carriers have prepared detailed estimates of the cost to accomplish the proposed improvements; said estimates are attached as Exhibits B, B-1 and B-2.

**DOCKETED**

**Section 4** The rail carriers shall upon Commission Order, according to the requirements contained therein, proceed toward the completion of the proposed improvements, accomplishing the work with their own forces or appropriate contracted services and agree that an appropriate time for the completion of the proposed improvements should be twelve (12) months for DT, nine (9) months for STR and three (3) months for VRRRC from the date of Commission Order subsequent to this Agreement.

**Section 5** The parties hereto agree that an equitable division of cost for the proposed improvements should be as follows:

**- DIVISION OF COST -**

<b>IMPROVEMENT</b>	<b>EST. COST</b>	<b>GCPF</b>	<b>DT</b>	<b>STR</b>	<b>VRRC</b>
DT - renew existing crossbuck signs and install YIELD signs as set forth in Section 2(a) herein.	\$55,970	(50%) \$27,985 <sup>1</sup>	Remainder <sup>2</sup>		
STR - renew existing crossbuck signs and install YIELD signs as set forth in Section 2(a) herein.	\$3,869	(50%) \$1,935 <sup>1</sup>		Remainder <sup>2</sup>	
VRRC - renew existing crossbuck signs and install YIELD signs as set forth in Section 2(a) herein.	\$1,465	(50%) \$732 <sup>1</sup>			Remainder <sup>2</sup>
<b>TOTALS</b>	<b>\$61,304</b>	<b>\$30,652</b>	<b>Remainder</b>	<b>Remainder</b>	<b>Remainder</b>

**Notes:**

<sup>1</sup> Total Grade Crossing Protection Fund (GCPF) assistance not to exceed \$27,985 for DT; \$1,935 for STR and \$732 for VRRC. Any installation costs above the estimated amount of \$61,304 will be divided between the GCPF and the rail carrier(s) in the same percentages noted above, upon Supplemental Petition to, and approval by, the Commission,.

<sup>2</sup> Rail carriers responsible for all of their respective future maintenance costs associated with the new signs.

**Section 6** Special Provisions. DT, STR and VRRC shall each complete and submit the Project Manager Information portion of the Project Status Report sheet, attached as Exhibit 1, along with this executed Agreement.

DT and STR shall each file the Progress Status Report, attached as Exhibit 1, within six (6) months and VRRC shall file said Report within two (2) months from the date of

Commission Order subsequent to this Agreement with the Director of Processing and Information of the Commission's Transportation Bureau. The Progress Status Report shall include the Commission Order Number, the Commission Order date, the project completion date as noted in the Commission Order, crossing information (Inventory Numbers and Railroad Mileposts), type of improvement, and the name, title, mailing address, phone number, facsimile number and electronic mailing address of the rail carrier Project Manager.

All bills for work specified in Section 2 authorized for reimbursement from the Grade Crossing Protection Fund shall be submitted to the Fiscal Control Unit, Bureau of Local Roads and Streets, Illinois Department of Transportation, 2300 South Dirksen Parkway, Springfield, Illinois 62764. The Department shall send a copy of all invoices to the Director of Processing and Information, Transportation Bureau of the Commission. The final bill for expenditures shall be clearly marked "Final Bill". All bills shall be submitted to the Department no later than twelve (12) months from the completion date specified in the Commission Order approving this Agreement. The Department shall not obligate any funds for the cost of proposed improvements described in this Agreement without prior approval by the Commission. The Commission shall, at the end of the 12<sup>th</sup> month from the completion date specified in the Commission Order approving this Agreement, or any Supplemental Order(s) issued for this project, conduct a review to determine if any unused assistance from the Grade Crossing Protection Fund should be deobligated. Upon completion of the review, the Commission shall notify the Department to deobligate all residual funds accountable for installation costs for this project. Notification may be by regular mail, electronic mail, fax, or phone.

Progress billing will be based upon the work performed during the billing period. Progress payment for material will be based on the actual cost of material purchased and received by the rail carriers during the billing period. Progress payment for labor costs will be based upon the number of crossings completed by the rail carriers during the billing period.

Section 7 Billing: For all work specified in Section 2 of this Agreement and authorized by an Order of the Commission, the rail carriers shall assure that sufficient documentation for all bills is made available for review by the Department or the Department's representative. The minimum documentation that must be made available is outlined below:

- a) Labor Charges (including additives) - Copies of employee work hours charged to the railroad account code for the project.
- b) Equipment Rental - Copies of rental agreements for the equipment used, including the rental rate; number of hours the equipment was used and the railroad account code for the project.
- c) Material - An itemized list of all materials purchased and installed at the crossing location. If materials purchased are installed at multiple crossing

- locations, a notation must be made to identify the crossing location.
- d) Engineering - Copies of employee work hours charged to the railroad account code for the project.
  - e) Supervision - Copies of employee work hours charged to the railroad account code for the project.
  - f) Incidental Charges - An itemized list of all incidental charges along with a written explanation of those charges.
  - g) Service Dates - Invoice shall include the beginning and ending date of the work accomplished for the invoice.
  - h) Final or Progressive - Each invoice shall be marked as a Progressive or a Final Invoice.
  - i) Reference Numbers - Each invoice shall include the AAR/DOT number, the ICC Order number and the state job number when federal funds are involved.
  - j) Locations - Each invoice shall show the location, with the street name and AAR/DOT crossing inventory number.

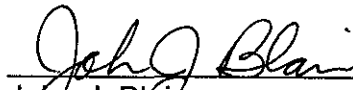

**Section 8** This Agreement shall be binding upon the parties hereto, their successors or assigns. Upon execution of this Agreement by all parties, the Commission shall enter an appropriate Order, within 60 days accepting or rejecting such stipulation according to the provisions contained herein.

In Witness Whereof, the parties have caused this Agreement to be executed by their duly authorized officers, as of the dates indicated herein.

Executed by the Commission this 13th day of November 2006.
